SEC. 6. It shall be unlawful for any person, firm, or corporation, either as principal or as agent, employee or servant, to offer for sale, expose for sale, sell, deliver, or distribute any such milk or milk products, in quantities of 1 gallon or more, unless the same be contained in a suitable sterile receptacle, sealed or locked with chain, or wire, or other seal or contrivance sufficient to prevent the opening of such receptacle without breaking or unfastening such seal or contrivance: *Provided, however,* That persons, firms, or corporations engaging in the wholesale delivery or sale of such milk or milk products may sell or deliver the same from sterilized unsealed or unlocked cans or receptacles, but in such case said cans or receptacles shall be tightly covered and contain no perforation either in the container or its cover, and there shall be conspicuously displayed on each of said cans or receptacles, in plain legible letters not less than 2 inches in height, the word "wholesale."

SEC. 7. It shall be unlawful for any person, firm, or corporation, either as principal or as agent, employee, or servant (except as specially excepted in section 3 of this ordinance) to transfer or pour any such milk or milk products from one receptacle of whatever kind to any other receptacle whatever on any street, lane, alley, thoroughfare, square, or public place in the city of Alameda, or any other uninclosed place in said city, or in any place whatever except a milk house or creamery of which the sanitary condition shall have been first duly approved by the board of health.

SEC. 8. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than \$100, or by imprisonment in the city prison for a period not exceeding 10 days, or by both such fine and imprisonment.

SEC. 9. All ordinances and parts of ordinances in conflict herewith, in so far as the same so conflict, are hereby repealed.

SEC. 10. This ordinance shall take effect and be in force on and after October 1, 1916.

**Pasteurized Milk—Production, Care, and Sale. (Ord. 74, N. S., July 25, 1916.)**

SECTION 1. Pasteurized milk is hereby defined to be milk of which every portion has been heated to a temperature of 140° F., and not to exceed 145°, and maintained at that temperature for the period of 30 minutes consecutively, and thereafter immediately cooled to a temperature not higher than 45° F.

SEC. 2. From and after the date this ordinance takes effect, no person shall expose for sale, or sell, or deliver for sale or consumption, within the city of Alameda, any pasteurized milk, without first obtaining a permit therefor from the board of health of said city, as herein provided, and conforming with all of the provisions of this ordinance.

SEC. 3. Any person desiring a permit to expose for sale, or sell, or deliver for sale or consumption, any pasteurized milk, shall first make application therefor to the board of health, upon blanks provided for the purpose, stating the name and residence of the applicant and the exact location of the machine or apparatus to be used by him in pasteurizing such milk, which said application shall be signed by the applicant and filed in the office of the board of health.

SEC. 4. Upon receipt of the proper application, as provided in section 3 hereof, it shall be the duty of the food inspector of the said board of health to inspect the said pasteurizing machine or apparatus to be used by the applicant in pasteurizing such milk, and shall report to said board of health the result of his inspection thereof. If it shall appear to said board of health that the said pasteurizing machine or apparatus is of such character that all pathogenic bacteria and not less than 99 per cent of all bacteria in milk therein pasteurized, in the manner hereinbefore defined, will be killed or destroyed, and that the said pasteurizing apparatus is equipped with a recording thermometer of such type as will permit of its being kept locked by the board of health, a permit shall be granted to the applicant by the board of health.

SEC. 5. All milk intended for pasteurization shall come from cows free from all disease as determined by physical examination at least once in six months, by the veterinarian of the city of Alameda. It shall contain less than 200,000 bacteria per cubic centimeter before pasteurization and less than 10,000 bacteria per cubic centimeter at the time of delivery to the ultimate consumer. Dairies from which this milk is derived must score at least 60 on the score card adopted by the United States Bureau of Animal Industry, Department of Agriculture, and shall be the product of a dairy or dairies conducted in strict conformity with the ordinances of said city and with the regulations of the board of health, and shall be in every respect of such standard as is now, or may be hereafter from time to time, established by ordinance.

SEC. 6. Each bottle or other container in which pasteurized milk is delivered to the consumer, shall be plainly marked with a label bearing the inscription "pasteurized milk."

SEC. 7. All utensils used in the production and handling of pasteurized milk must be properly cleaned and sterilized each time before using, and shall be so constructed that all parts are absolutely free from places in which milk can accumulate or be absorbed in a manner preventing its removal simply by washing; and all surfaces coming in contact with the milk must be smooth and free from rust.

SEC. 8. Pasteurized milk shall be marked with the day of the week of pasteurization, and must be delivered to the consumer within 48 hours thereafter and at a temperature of 50 degrees Fahrenheit or below, and so maintained to the time of delivery.

SEC. 9. Milk once pasteurized shall not be again pasteurized and must be delivered to the consumer in the original container.

SEC. 10. The thermometric records showing the heating and cooling temperature of all pasteurization of milk in any machine or apparatus shall become the property of the board of health and shall be collected by its authorized representatives.

SEC. 11. Any violation of the regulations for the production of pasteurized milk shall result in a revocation of the permit to produce a pasteurized milk for sale or consumption in the city of Alameda.

SEC. 12. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than \$25 or more than \$200, or by imprisonment in the city prison for not less than 10 days nor more than 60 days, or by both such fine and imprisonment.

SEC. 13. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SEC. 14. This ordinance shall take effect on and after October 1, 1916.

#### **Zones of Quiet—Establishment of. (Ord. 72, N. S., July 21, 1916.)**

SECTION 1. There is hereby created and established a zone of quiet in all territory embraced within a distance of 300 feet of every hospital or sanatorium in the city of Alameda.

SEC. 2. It shall be the duty of the city physician to place, or cause to be placed, on lamp posts or other conspicuous places on every street or streets on which any hospital or sanatorium may be situated and at a distance of not less than 300 feet in every direction from said hospital or sanatorium, a sign or placard displaying the words: "Notice. Zone of Quiet. No loud or unnecessary noises permitted."

SEC. 3. It is hereby declared to be unlawful for any person, firm, or corporation to make, cause, or permit to be made or caused, any unnecessary noise or blow any bugle, horn, whistle, or trumpet, or beat any drum, or ring any bell, or play any music, or to call or hawk wares or merchandise upon the public streets, avenues, or alleys in the city of Alameda, within any such zone of quiet, that disturbs the peace and quiet of any of the inmates of any hospital or sanatorium.

SEC. 4. Every person, firm or corporation employing or controlling such person, or persons, who shall violate any of the provisions of this ordinance, shall be deemed
